Welcome Message

Dear Delegates,

It gives us immense pleasure to welcome you to the **46th AROICON 2026**, the **Annual Conference of the Association of Radiation Oncologists of India**, hosted by AROI Telangana chapter in the vibrant city of **Hyderabad** — a city where tradition meets technology, and innovation blends seamlessly with culture.

This year's conference brings together the finest minds both national and international, in radiation oncology to explore the latest advancements, deliberate on shared clinical insights, and shape the future of cancer care in India. As we stand at the crossroads of rapid technological evolution towards precision and personalised radiation oncology, AROICON 2026 aims to highlight not just innovation in treatment, but also compassion in care — ensuring that our patients remain at the heart of it all.

Over the 3 and a half days, you will experience an enriching blend of **scientific sessions on the practice changing updates in radiation oncology, interactive workshops, and collaborative networking**, all set against the warm hospitality and cultural richness that Hyderabad is known for.

We extend a heartfelt welcome to every delegate, speaker, and partner who will join us on this journey of learning and collaboration. Together, let us make AROICON 2026 a milestone in our shared mission to advance oncology practice and improve outcomes for patients across India.

We Welcome you to Hyderabad!

Welcome to AROICON 2026!

Conference Venue

Hyderabad International Convention Centre (HICC)

Hyderabad International Convention Centre (HICC) is a purpose-built, state-of-the-art convention facility, the first-of-its-kind, and the best standalone convention centre in South Asia. It features an internal hall measuring 6,480 square meters that can be partitioned into six smaller halls.

HICC has been the winner of the excellence award for "Best Standalone Convention Centre" for a record four times nationally and has now received a regional award from the Ministry of Tourism, Government of India and Andhra Pradesh. HICC has also received the award for 'Best Meeting & Conference Venue' at the South India Travel Awards 2015. HICC also holds ISO 14001:2014 certification. In every aspect, be it infrastructure, services or technology, it compares with the best in the world.

HICC is connected to Novotel Hyderabad Convention Centre: an international business hotel. It has 288 rooms and is equipped with meeting rooms, restaurants, business centre, spa and a health club. It is also the Best South India Travel Awards winner admired for its outstanding service.

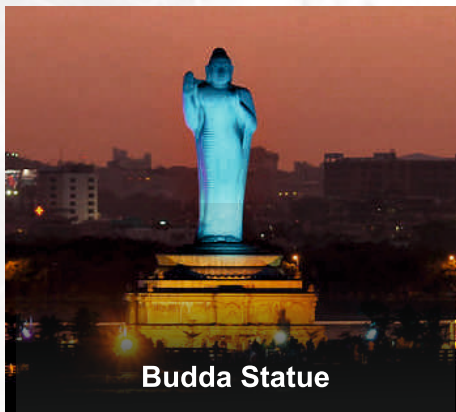

Host City Information

Hyderabad is the capital and largest city of the Indian state of Telangana. It occupies 650 km² (250 sq. mi) on the Deccan Plateau along the banks of the Musi River, in the northern part of Southern India. With an average altitude of 542 m (1,778 ft), much of Hyderabad is situated on hilly terrain around artificial lakes, including the Hussain Sagar Lake, predating the city's founding, in the north of the city centre. According to the 2011 Census of India, Hyderabad is the fourth-most populous city in India with a population of 6.9 million residents within the city limits and has a population of 9.7 million residents in the metropolitan region, making it the sixth-most populous metropolitan area in India. With an output of US\$74 billion, Hyderabad has the fifth-largest urban economy in India.

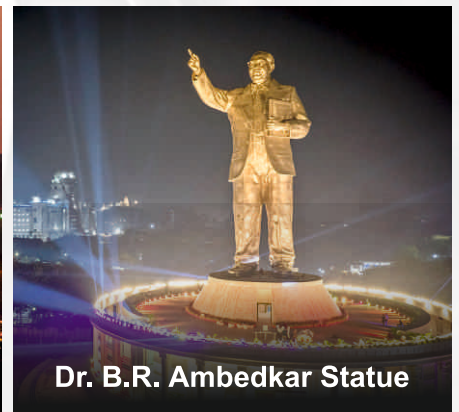

Hyderabad has received 'World Green City 2022' award.
